The Homestead Collection from Shawgrass

Using a patented process of stitching multiple fibers through a single needle, there's no doubt your yard will be the talk of the town! An innovation you can only find at Shawgrass, it gives your landscape a unique and realistic look. This product is not your typical residential turf! Offered in three varieties, Villa, Estate and Retreat, the Homestead collection helps turn your outdoor space into a show stopper. The new technology also provides you with an artificial turf that is second-to-none in terms of durability. This product is not only beautiful, it is made to maintain that incredible aesthetic even after continuous wear.
